Meeting Highlights:

- Dave Meyers opened the meeting by reminding the Committee of the purpose of the conference call which was to discuss the CJIS pilot project proposal submitted by ISS (Integrated Software Specialists) and ITE (Information Technology Enterprise). This proposal involved the exchange of OWI information from local law enforcement to the county attorney.
- Mike Locascio, President and CEO of Integrated Software Specialists (ISS), and Matt Behrens, Information Technology Enterprise (ITE) Web Services Team, gave a presentation regarding the pilot project proposal. Their presentation contained background information about the project, information about what the project intends to do, the role that both the Information Technology Enterprise and ISS play in the project, and the costs associated with implementing the project.
- After the presentation by ISS and ITE there was a lengthy question and answer period. After much discussion the Committee voted to table any decision on moving forward with the pilot project until the August 24th meeting.
